### THE POST'S NEW HOME.

The Canadian Merchandise Sale Company Clearing Out Ford's Stock

### The Prices Are Shattered

### FOR THE LAST NINE DAYS Sale Closes Saturday Night, Feb. 9

THERE is no use talking, THE PRICES HAVE BEEN CUT SO DEEP ON EVERY ARTICLE IN STOCK AND BARGAINS ARE HERE IN SUCH NUMBERS that you cannot expect another sale like this again perhaps for years.

You all know the remarkable circumstances that has forced Mr. Ford to sacrifice his stock; and we've guaranteed to turn it into money for him in short notice.

These two conditions make it very necessary to SLASH PRICES AS NEVER BEFORE and ought to mpress you with the many advantages of buying now for future needs.

### THERE'S NO RESERVE; EVERYTHING MUST GO; NOW IS YOUR TIME TO SAVE ON

## **Risk or Certainty?**

When you pay for standard goods, part of the value you should get is the "certainty" of quality. When inferior lines are sold to you, there is loss of satisfaction as well as that of the money plaid for the purchase. There is no uncertainty when your ordera are left at this tore—our goods are always of the highest quality, our values are the best, and our store service oromut. service prompt.

### Two Months of Gold Weather Yet

We are well aware of the fact that although the winter is only half over you expect us to give you a pretty close price on an Overcoat or Suit.

If you know how close a price we are prepared to quote you, you would drop in to-day and pick up what others scream about as "bargains."

We don't like the word "bargains," they are generally more fakes than bargains.

Good goods at extremely low prices are the only bargains we have to offer, and another thing-it's nobody's business how little we charge you for an Overcoat or Suit, that's a business transaction between you and us, even the best clothing we have in stock.

The 20th Century and Progress Brand Garments will be sold to you at prices that will surprise you.
